

BOARDMAKER TRAINING WORKSHOPS

ACD Presents Boardmaker software training sessions for service providers and individuals.

Boardmaker creates printed materials with Picture Communication Symbols and other pictures and graphics. The software also includes Speaking Dynamical Pro which enables word prediction and abbreviation expansion to support augmentative and alternative communication through sound.

Boardmaker is used to:

- more actively involve students in an inclusive setting
- provide opportunities for communication
- teach and reinforce curriculum concepts
- encourage and promote literacy
- make interactive books adapted for each student and curriculum
- train individuals on using symbols, switches, and dynamic displays

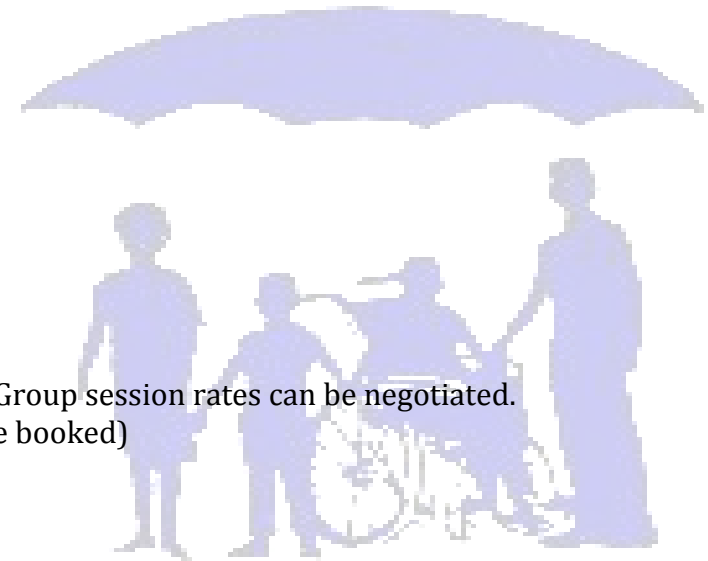

The ACD Boardmaker Training sessions is adaptable and can be tailored to the specific needs of the Individual. This training is very useful for any individual seeking to add a communication tool to their skill belt, and will be particularly beneficial for:

- Educators and Teacher Aides
- Respite providers
- Local Area or Service Co-ordinators
- Case Managers
- Medical and Health Personnel
- Therapists and Therapy Assistants
- Government employees
- Child carers
- Family members

The Training sessions cost \$50.00 per hour excl. GST. Group session rates can be negotiated.
(ACD Members - 1 hour free when 1 or more hours are booked)
